## COMPASSION CAMPAIGN

We believe that as you prayerfully consider your partnership in this campaign, God will impress a specific commitment on your heart. The most important thing will be your obedient response to God's challenge.

**What does your obedient response to this Compassion Campaign look like?**

**Is it giving your time?**

**Is it giving your treasure?**

**Is it giving your talent?**

## YOUR OPPORTUNITY TO PARTNER IN COMPASSION

your opportunity

We have the privilege of helping those in our own church and community who are in need, and through our Compassion Ministry we serve an average of 10,000 people per year, with limited church budget to do so. We don't want to stop what we have begun!

Our Compassion Center continues to function through **YOUR** partnership and generosity, **ABOVE** and **BEYOND**. You can partner with us in this Campaign through your gift and commitment of time, treasure and/or talent!

Our hope is to

### >>> Sustain Our Operations      \$6,000

Continuing to care for people through food, clothing, prayer and ministry. By raising this amount, we will be able to continue ministering to the families we have built relationship with.

### >>> Build Capacity      \$30,000

Expand and grow our resources to meet the increasing needs of our church and community. By raising this amount, we will be able to add additional resources and build our team for long term growth and success.

### >>> Find Freedom!      Priceless!

When you give generously, it is linked to freedom... for the giver AND receiver. We want to see those in our church and community free to live life to the fullest!
